

4 ● A postcard to friends (Reflexive pronouns)

1 Look at the pronouns and reflexive pronouns and match them.

2 Read the postcard and fill in the correct reflexive pronoun.

15th September

Dear Susi and Tom,

Here we are in Canada in a beautiful cabin - we found it ourselves (1) on the internet. We went shopping yesterday and Mum bought a nice pullover for _____ (2) and Dad wanted to buy a canoe for _____ (3), but it was too big and too expensive. I've never been skiing before. We've been in the mountains and I'm trying to teach

_____ (4) to ski, but I fell down and hurt _____ (5). It's not so easy, so I think I'm going to have some lessons.

We are staying in the mountains. I saw a black bear yesterday. I heard about a bear that attacked a family in a cabin near here. They were lucky - they ran away and saved _____ (6).

This evening we're going to have pizza; Dad made them _____ (7). Pizza are one of my favourite foods. I hope our cat is OK. It can't look after

_____ (8). I hope the neighbours are feeding it. You are off to Spain tomorrow. I hope you will enjoy _____ (9). See you when we get back!

Love, Chris
